

A detailed illustration of a forest scene. In the foreground, a hedgehog with brown and white quills looks directly at the viewer. In the background, a red fox is walking on a path. Several ants are visible on a branch and on the ground. The scene is filled with green foliage and brown tree trunks.

Їжачок не розгубився —  
На лисицю накотився!

І руда втекла, ще б пак,  
Бо сміливий наш їжак.  
Отакий наш їжачок,  
Їжачок-рятівничок!
